KaPow Intergalactic Film Festival had such a fun time meeting amazing filmmakers at our first, second, and third year, we decided to have a third run for 2019!! KaPow IFF will bring together the best, most creative, and yet to be discovered works of filmmakers from all over the planet. But this “Intergalactic” festival isn’t just for science fiction. Intergalactic is the scale on which we plan to eventually show your work! Stay tuned to this page as it updates, with participating sponsors, awards, vendors, and cash prizes!

We applaud creators whose imaginations are so far “outside the box”, that the box doesn’t even exist. If your project is inventive, dynamic, and damn good filmmaking, KaPow IFF is the perfect place to showcase your work.

KaPow IFF will be held September 13 - September 19, 2019, at the Laemmle's NoHo 7 in North Hollywood, California. Screenings will be shown on one screen. Laemmle's NoHo 7 is located in the heart of the North Hollywood Arts District, around the corner of the Academy of Television Arts & Sciences. The NoHo Arts District features a mix of over 30 restaurants, bars, coffee shops, pizzerias, and other services, all within a short walking distance of the festival. Numerous lodging options are available within a few mile radius.

Films entered in multiple categories are eligible to win several awards and prizes from sponsors at the awards ceremony and banquet at the Beverly Garland Hotel on September 20, 2019

Official Selection: Filmmakers will be notified on or before August 7th or before, whether you are part of the official selection for The 2019 KaPow Intergalactic Film Festival. Laurels can be sent via email by request.
